

JESSICA GERTH

CLIENT ADVOCATE TRAINER

Jessica Gerth joined the MJ Insurance team in 2009 as commercial account assistant in our large commercial department. In 2011, she advanced to the role of client advocate in the MJ Manufacturing and Metals practice groups. Jessica was recently promoted again to a new training & development role within the Commercial Lines department where she is charged with training new and existing employees. Her aptitude for learning the nuances of the industry along with her proficiency with technology has allowed her to become a valued part of the team.

Jessica's favorite part of her role is being able to teach and help people grow in their roles. Typical day-to-day needs include, but are not limited to, on-boarding and maintaining client needs. She works with her team to develop and execute risk management programs and strategies tailored to each specific client.

Outside of work, Jessica loves to socialize and be around other people. She also loves to watch sports, especially the Colts, Indiana Hoosiers, and Ball State cardinals! It is Jessica's ultimate dream to one day go to Victoria Falls in Zimbabwe, Africa.
