

SARAH HANSON

LEARNING & DEVELOPMENT SPECIALIST

Sarah Hanson joined the MJ Insurance team in 2008 as a commercial claims coordinator in our Commercial Claims department. Sarah showed a deep passion for personal development and began assisting in the creation of the MJ YOUiversity program. Shortly after, Sarah was moved into a full time learning and development specialist role, created for her unique skills and ability.

In her role as learning and development specialist, Sarah works with the L&D team to identify employee training gaps and needs, create and implement corporate training programs, develop the mentorship and internship programs and oversee all employee on-boarding and experience. Sarah works with all of MJ's departments to help each employee realize their personal mission statement and create development plans that align with their personal and professional goals.

When Sarah isn't working hard to help others develop their purpose, she is pursuing her passions for health and wellness, sailing, traveling and cooking. Sarah sets goals and works hard to achieve them. Her next goal is to travel to Europe with her husband!
