

KRIS KILEY

CLIENT ADVOCATE

Kris Kiley joined the MJ Insurance team in 2007 as an Account Coordinator in our Construction practice group where she was quickly promoted to Account Manager. She has since assumed the role of Client Advocate where she specializes in large construction and specialty contractors, contract review and assists in marketing and renewal efforts.

Kris provides client service support and functions as the main point of contact for our construction clientele. She is responsible for the coordination of service and marketing strategies. On top of servicing the day-to-day needs of her accounts, Kris and her team work to provide clients with the best possible risk management solutions to fit their individual needs.

When Kris isn't forming strategic plans for her clients, she is at home with her family. Her favorite sports team is the Indianapolis Colts and Kris loves reading, movies, and listening to music.

EXPERIENCE

Prior to joining MJ, Kris worked as an account manager in both the Commercial Insurance and Surety departments at a large independent agency in Indianapolis.
