

KIMBERLY KINKEAD

SURETY SERVICE REPRESENTATIVE

Kimberly joined the MJ Insurance team in 2014 as surety service representative in our Surety & Bonds department. Kimberly is responsible for client service for commercial surety clients as well as accounting.

In her role, Kimberly gathers valuable information and calculates premiums for both our surety clients and underwriters. She acts as the liaison between surety clientele and surety companies and serves as the main point-of-contact for each. She is also responsible for invoicing procedures throughout the department. Kimberly is a natural problem solver and appreciates when her work allows her to help solve problems for others.

Outside of work, Kimberly loves to use her creative mind to make cards and capture memories in a scrapbook. Most of the time, she is making these memories with her family and her two cats, Lucy and Pippa. In addition, Kimberly often finds herself lost in a good book. One of Kimberly's biggest dreams is to relax on a cruise through the Mediterranean.

EXPERIENCE

Prior to joining MJ, Kimberly attended Purdue University and worked as a payment processor for Forum Credit Union.
