

GINGER KRAHN

RISK TRANSFER SPECIALIST

Ginger Krahn joined the MJ Insurance team in 1985 as commercial claims coordinator providing proactive claims assistance in our Commercial Claims department. She has since moved on to the role of surety service representative in our Surety department and was promoted to Risk Transfer Specialist in our Small Business Unit back in 2008. A consummate industry professional, she has a well-rounded skill set and expertise that has grown from her work in several departments throughout the agency.

With over 36 years in the industry – 33 of those with MJ – Ginger has grown to become a respected and valued member of the team. Ginger works to coordinate the service and marketing activities for her clients as well as managing data analytics to identify potential gaps in coverage and making recommendations on those limitations. She is the primary point-of-contact for the day-to-day servicing needs of clientele in our Small Business Unit.

When Ginger has time off from work she loves to spend it in Northern Indiana on the lake. One day she'd like to travel to places that she's never been to in the U.S. Ginger is a Bon Jovi fan and an all around animal lover!
