

CLIFFORD MAY

ASSISTANT ACCOUNT MANAGER

Clifford May joined the MJ Insurance team in 2017 as an assistant account manager in our Benefits Consulting department. Clifford is responsible for assisting with the day-to-day needs of MJ's Benefits Consulting clientele while providing extraordinary service. With a focus on alignment, Clifford works in tandem with the analytics, wellness, compliance, communication and advocacy teams to execute on client benefit plan strategies.

Prior to joining MJ, Clifford worked as a business development account executive at a local logistics company where he built and maintained client relationships and managed client service. In his role at MJ, Clifford continues to build relationships with clients and carriers alike. He works with small to mid-size group segments to address any advocacy issues, compliance updates, and takes the group to market when renewal comes around.

Outside of MJ, Clifford enjoys watching sports, golfing and hiking. He stays true to his alma mater and cheers for the Arizona State football program, but he also loves the Arizona Cardinals and Minnesota Vikings. Clifford's ultimate goal is to one day successfully hike Mount Everest.
