

KYLIE MILLER

TALENT ACQUISITION SPECIALIST

Kylie Miller joined the MJ Insurance team in 2016 as Talent Acquisition Specialist in the Learning & Development department. In this role, Kylie is responsible for developing and implementing strategic initiatives for recruiting and bringing the best and brightest talent into the organization. She partners with business leaders to anticipate and meet MJ's evolving workforce needs while delivering best talent throughout the hiring process.

Kylie has served in a variety of staffing and corporate recruiting roles throughout her career where she discovered her true passion—being an advocate of company culture. She thrives on sharing the MJ Purpose with potential candidates and nurturing our company's best asset – our people! With this energy and drive, Kylie will continue to develop and implement MJ's recruiting strategies while sharing the incredible growth opportunities within the insurance industry.

Outside of MJ, Kylie enjoys spending time with her friends and family, boating and staying active. Not many people know that Kylie was a cheerleader for IU in college and can still do some of her tumbling tricks! Kylie has a long bucket list but one of her top items is to travel somewhere exotic and stay in a treehouse bungalow
