

MICHAELA NEAL

RISK TRANSFER SPECIALIST

Michaela Neal joined the MJ team in 2017 as a risk transfer specialist in the Risk Management and Commercial Lines department. Michaela worked as the risk management intern during the spring 2017 semester where she supported the Risk Management department by preparing loss summaries, experience mods and other client projects. During her studies, she also served as the vice president of finance and operations of the first student-run captive insurance company in the nation, the MJ Student-Run Insurance Company, Ltd., where she participated in the development and implementation of the captive through Butler University's Lacey School of Business.

As a now full-time employee, Michaela works as a risk transfer specialist where she partners with the risk analysis, risk transfer and client advocacy teams to create and implement risk transfer strategies for MJ clientele.

Michaela likes to spend her weekends with friends and family. She takes every opportunity that she can to visit her friends that don't live in Indianapolis anymore. Michaela also likes to cheer on the Chicago Cubs and listen to any music by The Lumineers.
