

# JUSTIN RARICK

## RISK MANAGEMENT CONSULTANT

Justin Rarick joined the MJ Insurance team in 2018 as risk management consultant in our Property & Casualty department. Justin's areas of specialty are construction, food and agriculture, manufacturing, complex claims and large work comp programs. Prior to joining MJ, Justin worked at Arthur J. Gallagher, where he served as a consultant and VP of Claims.

In his role at MJ, Justin is responsible for new business development in the Phoenix market. He works with executive level insurance buyers to create unique and personalized risk management and business plans with a focus on sustained cost reductions.

Outside of MJ, Justin is deeply passionate about his family. He and his wife have one daughter and love to travel as a family to experience new culture and foods. Justin also enjoys golf, baseball and playing the guitar.
