

BRENDA SLAVENS

RISK TRANSFER SPECIALIST

Brenda Slavens joined the MJ Insurance team in 2002 as commercial account manager in our Small Business Unit. She has since moved to the Commercial Insurance department where she functions as a risk transfer specialist for the manufacturing and habitational industries. She brings over 30 years of industry expertise to the team with a range of experience in life and health, personal and commercial insurance.

Brenda and her team work to provide comprehensive risk management and insurance programs and strategies to their clients. Along with servicing the day-to-day needs of the manufacturing and habitational clientele, she strives to provide extraordinary service while managing the marketing and renewal process for new and existing accounts. Brenda is passionate about finding the most efficient means to bring success for her team.

Outside of work, Brenda keeps busy spending time with her eleven grandchildren! She also loves to be with her rat terrier dog, Sophie. Brenda has a passion for singing and utilizes her vocal talent in her church's praise team on the weekends. One day Brenda hopes she is able to visit and experience life in Australia.
