

KELLY SPRADLING

CLIENT ADVOCATE

Kelly Spradling initially joined the MJ Insurance team as commercial claims coordinator in 1992 and took a brief hiatus when she relocated and started her family. Returning to MJ as an Account Coordinator in 2008, promoted to Account Manager shortly thereafter, and now functions as Client Advocate in our Risk Management & Commercial Insurance department

Kelly specializes in marketing new and renewal accounts as well as contract and policy reviews, coverage verification and servicing the day-to-day needs of MJ clientele. With over two decades of industry experience, she works with her team to develop and execute risk management programs and strategies tailored to clients' specific needs.

Kelly maintains that her favorite part of her position is talking to clients. She loves communication and being able to provide solutions for any problems that may arise. Kelly has two teenage girls that occupy most of her time outside of work. She loves to travel and follow along with IU basketball. In the future, Kelly would like to travel more often and see as much of the world as she can!
