

CARMEN TINDELL

ASSISTANT ACCOUNT MANAGER

Carmen Tindell joined the MJ Insurance team in 2016 as an assistant account manager in our Benefits Consulting department. Prior to joining MJ, Carmen worked as an Administrative Assistant at CBIZ Benefits & Insurance Services, Inc., where she supported staff working on proposals, benefit guides and peer review.

Carmen is responsible for assisting with the day-to-day needs of MJ's Benefits Consulting clientele while providing extraordinary service. She serves as an extended arm of the human resources department at each client that she assists in managing. It is Carmen's job to help with eligibility and coverage education, answer all billing questions, assist in claim resolution and act as the intermediary between the employee and benefit carrier to resolve benefit related concerns.

Outside of work, Carmen is passionate about seeing the world and spending time out boating on the water.
