

ERICH VEIGEL

EMPLOYEE BENEFITS CONSULTANT & CLIENT EXECUTIVE

Erich Veigel joined the MJ Insurance team as employee benefits consultant in our Benefits Consulting department and has since added an additional role of client executive to his repertoire. Erich's experience has made him an expert in wellness, benefits technology, plan design analysis, network analysis, Rx program analysis as well as strategic vision and execution.

In his role, Erich is responsible for the development and execution of employee benefits strategies for large group clientele. With a consultative approach, he works to fully understand clients' corporate objectives and aligns their employee benefits initiatives through analytics, wellness, communication and compliance services and programs. Providing the strategic direction for the group, Erich strives to maximize employee benefits to support an organization's culture and goals.

Outside of work, Erich and his wife spend most of their free time supporting their 3 children in youth sports. Together they cheer for the Pacers, Colts, Notre Dame and the Cubs. As the son of a German immigrant, Erich dreams of the day he can take his family to Germany to experience the culture and learn more about his father's heritage.
