## RISK MANAGEMENT CONSULTANT

Alex Bill joined the MJ team in 2018 as a risk management consultant in our Risk Management + Commercial Insurance department. Prior to joining MJ, Alex worked for Rapp Medical Systems as an associate sales representative.

Alex focuses on aiding clients in overcoming operational challenges by helping them understand the interwoven relationship between risk, insurance coverage and cost. He is responsible for working with clients to gain information that pertains specifically to their organizational goals and collectively create the ideal risk management solutions.

When Alex is not providing optimal risk management solutions for MJ clients, you'll probably find him actively involved in his various passions. He's a coach for CYO Sports in Indianapolis and also enjoys exercising, reading and following Notre Dame football. Alex also has a talent that very few know about: he's an expert at walking on his hands!
