

MICHAEL M. BILL

CHAIRMAN OF THE BOARD

Michael M. Bill is the chairman of the board of directors at MJ Insurance, the company he co-founded in 1964. MJ Insurance is the result of a shared vision to create an independent insurance agency based on sound financial principles and strong customer service, which has since grown into one of the top 100 independent insurance agencies in the nation as well as a "Best Place to Work" in both Indiana and Arizona.

His leadership and determination have enabled MJ to stand out amongst its peers, becoming the largest locally-owned, privately held, independent agency in Indiana. With over 50 years in business, Michael's strategic positioning and strong financial management skills has allowed MJ to grow into a true market leader. As Chairman of the Board, Michael remains involved in client accounts and acts as a mentor for many of MJ's employees.

As a young man, Michael's biggest career aspiration was to start, run and grow his own business. For a long time, he worked relentlessly to see that dream through. Now that dream has come to fruition, and after five decades, he now enjoys seeing the new management team continue to fulfill his vision.
