

CHERIE BRODZIK

ACCOUNT MANAGER

Cherie Brodzik brings over 18 years of experience in employee benefits, life and disability insurance and health and wellness programming to MJ, where she currently functions as an account manager. Joining the MJ Insurance team in 2013 as a marketing coordinator, Cherie quickly moved up to become a valued account manager on the Benefits Consulting team.

Cherie and her team work to provide comprehensive benefits, health and wellness programs, and compliance services to their clients. Along with servicing the day-to-day needs of MJ's growing employee benefits clientele, she strives to provide extraordinary service while managing the marketing and renewal process for new and existing accounts. With a focus on alignment and a passion for fostering positive client relationships, Cherie's main goal is to better evaluate, analyze, plan and manage her client's employee benefits programs and strategies.

Outside of work, Cherie has a talent and passion for restoring old furniture and refurbishing it to its former state. She loves to work on these projects with her daughters and stays active through running. Cherie loves the beach and hopes to visit Hawaii in the future.
