

KRISTEN CONARD

CLIENT ADVOCATE

Kristen Conard joined the MJ Insurance team in 2014 as an account coordinator in our Risk Management + Commercial Insurance department. Her aptitude for learning and technical comprehension allowed her to quickly move up to her current role, client advocate, in our Manufacturing practice group.

Kristen assists in marketing new and renewal accounts as well as contract and policy reviews, coverage verification and servicing the daily needs of clients in the manufacturing industry. Typical day-to-day needs include, but are not limited to, issuing certificates of insurance and policy changes through endorsements. With a focus on alignment, Kristen works with her team to assist in the development and execution of risk management strategies and programs tailored to the specific needs of our clients.

When Kristen isn't working hard to make sure her clients are receiving the best possible service, she is at home with her cat, Georgia. Kristen loves to cook and watch IndyCar racing. In college, she completed a sales internship in London, England, and would love to travel back to Europe soon!
