

BRITTANY DOCKEMEYER

HUMAN RESOURCES SPECIALIST

Brittany Dockemeyer joined the MJ Insurance team in 2018 as an HR specialist in our Learning & Development department. Brittany is responsible for providing internal customer support and driving L&D functional excellence and process improvement. She also helps to provide day-to-day HR and benefits administration services to MJ associates

Prior to joining MJ, Brittany worked for various government entities in an HR generalist role. Brittany is a big proponent of internship programs as she was fortunate to land her first full time benefits representative position out of college for Howard County Government. This position laid a solid HR foundation allowing her to manage employee onboarding, orientation, health and wellness programs and worker's compensation initiatives.

Outside of work, Brittany is very passionate about spending time with her husband and two children. In addition, she enjoys watching college basketball and dreams of travel. She hopes to visit the top 10 Caribbean Islands one day.

EDUCATION

Indiana University, Kokomo

AREAS OF EXPERTISE

Benefits Administration
Onboarding
Safety/Risk Management

FAVORITE QUOTE

"Don't worry about failures, worry about the chances you miss when you don't even try."
