

# JESSICA GERTH

## CLIENT ADVOCATE TRAINER

Jessica Gerth joined the MJ Insurance team in 2009 as an account assistant in our Risk Management + Commercial Insurance department. In 2011, she advanced to the role of client advocate and has now assumed a new training & development role within the department where she is charged with training new and existing employees. Her aptitude for learning the nuances of the industry along with her proficiency with technology has allowed her to become a valued part of the team.

On top of her training responsibilities, Jessica works with her team to develop and execute risk management programs and strategies tailored to each specific client. Jessica's favorite part of her role is being able to teach and help people grow in both their personal and professional lives.

Outside of work, Jessica loves to socialize and be around other people. She also loves to watch sports, specifically the Colts, Indiana Hoosiers, and Ball State Cardinals! It is Jessica's ultimate dream to one day go to Victoria Falls in Zimbabwe, Africa.
