

MELISSA GLISSMEYER

RISK MANAGEMENT CONSULTANT

Melissa Glissmeyer joined the MJ Insurance team in 2017 as a risk management consultant in our Risk Management + Commercial Insurance department. Prior to joining MJ, Melissa served in the commercial fire protection industry where she evaluated fire equipment hazards while maintaining industry compliance.

With expertise in safety, loss control, high-risk and high-value products, Melissa consults clients on innovative risk management and insurance solutions. She works with her team to truly understand a client's business, exposure to risk, and corporate goals while designing a risk management program which best aligns with their company culture. It is Melissa's goal to provide risk management solutions that promote growth and client success.

Outside of MJ, Melissa enjoys spending time with her husband. You won't find this couple around the house much since they are always traveling or hitting a new hiking trail. She has two horses that she uses for cowboy mounted shooting, an exciting equine sport in which she traveled the country for during her earlier years. Her goal in life is to visit all seven continents and go to the Summer Olympics!
