

SHEREE HSIEH

SURETY SERVICE REPRESENTATIVE

Sheree Hsieh joined the MJ Insurance team in 2002 as surety service representative in our Risk Management + Commercial Insurance department. Prior to joining MJ, Sheree worked as an underwriting assistant at CNA Surety where she issued bond continuation certifications and collected important bond information for CNA's underwriting team. With over 20 years of experience, Sheree has grown to become an expert in surety and bonding and a respected member of the team.

Sheree is responsible for gathering valuable information and calculating premiums for surety clients and underwriters. She acts as the liaison between our surety clients and the surety companies and serves as the main point-of-contact for each. With over two decades of industry experience, Sheree's main focus is on commercial surety and contract surety for our construction clientele.

When Sheree isn't working hard to help fill her clients' unique needs, she likes to sing, cook and travel. Originally from Taiwan, Sheree has always had a passion for travel and new adventures. One day she would love to move to a small countryside town where she doesn't know anyone and learn to live with the locals.
