

BRENDA JOHNSTON

SURETY SERVICE REPRESENTATIVE

Brenda Johnston joined the MJ Insurance team in 1999 as a surety service representative in our Risk Management + Commercial Insurance department. She is responsible for client service for commercial surety and construction clientele. With over two decades of experience in the insurance and surety business, Brenda brings a wealth of knowledge to the team.

In her role, Brenda gathers valuable information and calculates premiums for both our surety clients and underwriters. She acts as the liaison between surety clientele and surety companies and serves as the main point-of-contact for each. Brenda's favorite part of her role as surety service representative is issuing bonds, a task she has become an expert in.

Outside of work, Brenda loves spending time with her two young grandkids and the rest of her family. Every year Brenda makes delicious homemade jams and other canned and jarred food items to give to her family and friends. She also enjoys biking with her friends and husband. One interesting fact about Brenda is that her husband is a pilot but she is afraid of flying! One day Brenda hopes to overcome this fear so that she can travel and see the world.

EXPERIENCE

Prior to working at MJ, Brenda worked as a legal secretary and surety service representative.
