

NATE JONES

RISK MANAGEMENT CONSULTANT

Nate Jones joined the MJ Insurance team in 2018 as a risk management consultant in our Risk Management + Commercial Insurance department. Prior to joining MJ, Nate studied insurance and risk management at Indiana State University and upon graduation worked as an underwriter for Arlington/Roe & Co where he focused on evaluating commercial risks for transportation accounts.

As a risk management consultant, Nate works with clients to both understand and connect their business goals with their risk management program. He specializes in developing and executing strategies to reduce clients' cost of risk in the transportation and manufacturing industries.

Outside of the office, you can expect to find Nate watching sports, in church, or enjoying the great outdoors. He often likes to watch professional sports, specifically the Colts, Pacers and the Boston Red Socks. Nate also has a desire to travel, so much so that visiting Hawaii is at the top of his bucket list.
