

KATE MAXWELL

CLIENT ADVOCATE +
EXECUTIVE ASSISTANT

Kate Maxwell joined the MJ Insurance team in 2017 as a client advocate in our Risk Management + Commercial Insurance department. While learning the nuances of the industry, Kate works with the risk transfer, analytics and client support teams assisting with their day-to-day needs. Typical day-to-day needs include, but are not limited to, preparing custom client material and reports, collecting renewal information and processing policies.

Prior to joining MJ, Kate worked as an executive assistant at Primrose Healthcare where she worked with c-suite executives to provide top-level assistance and support. In addition to acting as client advocate for commercial insurance clients, Kate is an executive assistant to MJ's chief executive officer, Michael H. Bill.

Outside of work, Kate enjoys spending time with family, traveling, staying active and playing with her dogs. An animal lover, Kate has two dogs, Roxie and Kenya. One day she would love to volunteer at an elephant sanctuary in Africa.
