

CLIFF MAY

ACCOUNT MANAGER

Cliff May joined the MJ Insurance team in 2017 as an account manager in our Benefits Consulting department. Cliff is responsible for assisting with the day-to-day needs of MJ's employee benefits clientele while providing extraordinary service. With a focus on alignment, Cliff works in tandem with the analytics, wellness, compliance, communication and advocacy teams to execute on client benefit plan strategies.

Prior to joining MJ, Cliff worked as a business development account executive at a local logistics company where he built and maintained client relationships and managed client service. In his role at MJ, Cliff continues to build relationships with clients and carriers alike. He works with small to mid-size employer groups to manage the marketing and renewal process for new and existing clients.

Outside of MJ, Cliff enjoys watching sports, golfing and hiking. He stays true to his alma mater and cheers for the Arizona State football program, but he also loves the Arizona Cardinals and Minnesota Vikings. Cliff's ultimate goal is to one day successfully hike Mount Everest.
