

DEBBIE ROEDER

CLIENT EXECUTIVE

Debbie Roeder joined the MJ Insurance team in 1998 as an account manager in our Personal Insurance department. Through her growth and leadership, she was quickly promoted to personal insurance manager. As personal insurance manager, Debbie was tasked with managing the Personal Insurance staff as well as servicing and maintaining MJ's successful clientele. Recently, Debbie transitioned out of the managerial duties for the department and continues as a client executive for MJ's Personal Insurance clients.

With over 40 years of experience, Debbie and the Personal Insurance team work to understand clients' lifestyle needs and create a custom insurance program suited to those needs. With a focus on personalized service and a consultative approach, Debbie helps clients understand their coverage options completely while acting as an advocate on their behalf. Her vast experience in management and personal insurance proves her to be an integral member of the team.

Debbie and her family absolutely love animals and spend as much time as possible around them outside of work. She is an avid fan of the Butler Bulldogs, Las Vegas Golden Knights and the New York Yankees.
