

DALE STAMPER

ACCOUNT MANAGER

Dale Stamper joined the MJ Insurance team in 2006 as marketing coordinator in our Benefits Consulting department and has since assumed the role of account manager. With over 20 years of industry experience, Dale's expertise lies in marketing and carrier negotiation, contract review, and plan analysis.

Dale and her team work to provide comprehensive benefits, health and wellness, and compliance services to their clients. She is responsible for servicing the day-to-day needs of MJ's employee benefits clientele while managing the marketing and renewal process for new and existing accounts. Along with managing client service standards, she and the account management team maximize employee benefits to support an organization by effectively evaluating, analyzing, planning and managing their benefits strategy.

When Dale is not hard at work problem solving on her clients behalf, she is probably spending time with her four grandchildren. Dale's biggest aspiration right now is to travel more often!
