

MATT STEPHANAK

ANALYST, HEALTH RISK MANAGEMENT

Matt Stephanak joined the MJ Insurance team in 2017 as a health risk analyst in the Benefits Consulting department. With a degree in Risk Management & Insurance from Ball State University, Matt brings with him a wealth of expertise and knowledge of the industry. He's held several agency internships and worked as a claims administrator prior to joining MJ.

As an analyst, Matt is responsible for analyzing claims data and cost drivers, identifying trends and creating customized reports for clients. Matt works with the Analytics team to analyze, implement and manage detailed analysis providing tactical and strategic recommendations for Benefits Consulting clientele. By providing dedicated data analysis, he and the Analytics team are able to forecast future risks allowing our clients to implement the appropriate mitigation strategy in alignment with their needs.

When Matt isn't analyzing data for clients he likes to try new restaurants, watch sports, listen to music and travel. Matt roots for all the Indy teams, but he also likes the Michigan Wolverines. His favorite music group is Odesza and he loves to see any live music. One day Matt would like to visit every continent.
