

LEE ZOLLNER

CLAIMS CONSULTANT

Lee Zollner joined the MJ Insurance team in 2015 as commercial claims coordinator in our Risk Management + Commercial Insurance department and now assumes the role of claims consultant. A native of the industry, Lee previously worked as a field claims representative for Society Insurance where he handled multi-line and complex liability claims. With nearly 15 years of experience, Lee brings with him a breadth of knowledge of claims management, resolution and litigation techniques.

At MJ, Lee is responsible for providing proactive claims assistance to clients in various industries. With technical expertise in workers' compensation, auto liability, general liability, product liability and construction defect coverage, Lee serves as the primary point-of-contact for all claim reporting and day-to-day inquiries. Lee and the MJ commercial claims team analyze, report and review claim activity to ensure clients receive the optimum service and the most advantageous claim resolutions.

Lee's greatest passion is his family. He and his wife have one son and two daughters. In his spare time, Lee coaches his son's baseball team and plays in a softball league. As a family, the Zollners like to go on vacation and watch baseball. Lee hopes that one day he'll be able to say that he's visited every MLB stadium.
