Liz Coe joined the MJ Insurance team in 2014 as a commercial lines assistant in our Risk Management + Commercial Insurance department and now functions as a client advocate. Her aptitude for learning the nuances of the industry along with her proficiency with technology has allowed her to become a valued part of the team.

Liz specializing in contract and policy reviews, coverage verification and servicing the daily needs of clients in the construction, manufacturing and recycling industries. Typical day-to-day needs include, but are not limited to, issuing certificates of insurance and policy changes through endorsements. Liz strives to provide extraordinary service by assisting in the development and execution of tailored risk management programming for our large commercial construction clientele.

In addition to her job at MJ, Liz operates a small crocheting business. She sells her work in pop up shops and markets around Indiana. Right now, Liz has a crocheted ninja decorating her desk! She would love to visit Ireland one day and recommends that everyone read the book *Blue Like Jazz*.
