

HAYLIE PAVLIK

CLIENT ADVOCATE

Haylie Pavlik joined the MJ Insurance team in 2018 as a client advocate. Before she started assisting our clients at MJ, Haylie worked for Indianapolis Public Schools as a 2nd and 3rd grade elementary teacher.

In her role as client advocate, Haylie and her team are responsible for managing the day-to-day communication and service needs for our clients in the transportation industry. It is her duty to act as the communication vessel for information on topics like policy changes and marketing new and renewal accounts. To Haylie, the most enjoyable part of interacting with clients is that everyday is guaranteed to be different, and there is always a new puzzle to solve.

When Haylie is not providing the best experience for our clients, she can probably be found reading a good book next to her two cats and her dog. She's a big fan of the New York Jets and loves absolutely anything that has to do with Taylor Swift.
