

RICHARD QUIGLEY

RISK MANAGEMENT CONSULTANT

Richard Quigley joined the MJ Insurance team in 2009 as risk management consultant in our Risk Management + Commercial Insurance department where he serves clients in various industries such as Transportation, Metals/ Manufacturing and Construction. Prior to joining MJ, Richard worked for Liberty Mutual as a risk management consultant where he consulted clients on cost-savings solutions for their insurance and risk management programs.

Richard's expertise lies in plan design, risk transfer analysis, risk management solutions and loss prevention. As a consultative broker, Richard helps business owners and corporate officers develop and implement cost effective insurance and risk management solutions that are centered around their overall business goals and objectives.
