## ACCOUNT MANAGER

Michelle Stevens began her career in the insurance industry in 1989 as an insurance administrator for a large manufacturing company and progressed to roles on the carrier side of the business, most recently as an Account Manager for OneAmerica's Employee Benefits division. Michelle joined the MJ Insurance team in 2018 as an account manager in the Benefits Consulting department. A veteran of the industry, Michelle brings nearly three decades of experience and a wealth of knowledge to the team. Michelle joined MJ primarily due to the fun yet ambitious workplace culture.

As an account manager, Michelle works to provide comprehensive benefits, health and wellness programs, and compliance services to our clients. She is responsible for managing the marketing and renewal process for new and existing clientele.

When outside of the office, Michelle enjoys spending time with family, watching sports, researching genealogy and practicing inspirational writing. As a South Bend native, she's also huge supporter of the Notre Dame Fighting Irish!
