

ADAM HARTMAN

RISK MANAGEMENT CONSULTANT

Adam Hartman joined the MJ Insurance team in 2019 as a consultant in Risk Management + Commercial Insurance department. He interned with MJ twice while a student at DePauw University and focused on client renewals and risk transfers. Prior to gaining experience with MJ, Adam interned with two other insurance brokerages where he served as a sales and business development intern and international assistant coordinator.

As a risk management consultant, Adam focuses on catering to the needs of small businesses with exceptional customer service, communication and attention, so that the best risk management strategies can be provided. He enjoys frequent face-to-face interaction with clients since it allows him to broaden his knowledge of their companies and form meaningful relationships.

Outside of MJ, Adam can be found living a healthy lifestyle, attending sporting events, participating in home renovations or spending time with friends and family. He hopes to one day go sky diving!
