

# MOLLIE JOHNSON

## ASSISTANT ACCOUNT MANAGER

Mollie Johnson joined MJ Insurance in 2019 as an assistant account manager in our Benefits Consulting department. As an assistant account manager, Mollie works with the analytics, wellness, compliance, communication and client advocacy teams to execute client healthcare and benefits strategies. Mollie's responsibilities include assisting in the review of plan design summaries, working with client executives on renewal services contracts and execution, working with account managers in implementation of carrier, TPA, vendor change or addition of new lines of coverage, and preparing and distributing requests for proposal for all lines of group insurance coverage. Mollie is additionally tasked with developing and maintaining productive relationships with carrier, TPA and vendor personnel.

Prior to joining MJ, Mollie served as a people and culture intern at ManpowerGroup. She worked directly with Human Resources, Marketing, Communications, Community Investments, and Diversity and Inclusion. She analyzed and organized data of current and potential employees, as well as, collaborated with the global marketing and communications departments to enhance brand awareness.

Outside of the office, Mollie can be found playing sand volleyball, tennis, doing yoga, spin or hiking. She hopes to one day travel overseas and explore what the rest of the world has to offer!
