

MIKE JANICKI

VICE PRESIDENT, RISK SERVICES

Mike Janicki joined the MJ Insurance team in 2018 as the director of risk services in our Risk Management + Commercial Insurance department. He has since been promoted to Vice President, Risk Services. With over two decades of experience in the insurance industry, Mike works to provide leadership and direction to MJ's Risk Services and Claims Management teams. This role allows Mike to use his vast expertise in risk management and safety to help clients enhance their overall risk management practices and programs.

Prior to joining MJ, Mike worked as managing director for FCCI Insurance Group, where he was responsible for company-wide risk control operations and administering department budgets. Additionally, he had a hand in developing strategic industry partnerships and providing leadership and collaboration in defining risk control and service platforms for the organization.

Outside of work, Mike enjoys spending as much time as possible with his two young daughters. As someone who is passionate about outdoor activities, Mike hopes to one day be able to golf in Ireland and Scotland.
