

AARON PARKER

VICE PRESIDENT, CLIENT EXPERIENCE

Aaron Parker joined the MJ Insurance team in 2017 as a client executive in the Risk Management + Commercial Insurance department and has since been promoted to Vice President, Client Experience. A native of the industry, Aaron brings over a decade of extensive experience in enterprise risk management, claims, loss control and safety programs. Prior to joining MJ, Aaron worked as the senior insurance and risk manager for the State of Texas Office of Risk Management where he was responsible for leading the Insurance Services department and served as a consultant to more than 100 State of Texas government agencies and institutions of higher education.

At MJ, Aaron is responsible for the stewardship and strategic development of the MJ value proposition and delivering on all aspects influencing the overall client experience. Aaron acts as the internal conduit between the analytics, risk services, risk transfer and client advocacy teams to ensure seamless execution of client strategy while delivering exceptional customer service to clients.

Outside of the office, Aaron loves spending time with his wife and young children. He is also an avid golfer and sports fan. One of Aaron's dreams is to attend the Masters Tournament at Augusta National.
