

JAMIE ANCHETA

DIRECTOR, CLIENT EXPERIENCE

Jamie Ancheta joined the MJ Insurance team in 2016 as a client executive in our Benefits Consulting department. Since joining, Jamie has been promoted to Director, Client Experience for the Arizona Employee Benefits team, and also serves MJ clients as a client executive. Prior to joining MJ, Jamie worked as an account manager and business analyst for a major insurance carrier where she gained a broad knowledge of client service and product needs and worked on the development and implementation of technology solutions for the sales team and group clients, including the launch of a carrier-based benefit administration platform. Over the last 15 years in the industry, Jamie has developed vast expertise in benefit program analysis, plan development and implementation, disability insurance benefits, HSA implementation, and vendor analysis and review.

At MJ, Jamie is responsible for the communication, accountability and execution of client service plans as well as ensuring a positive client experience. She works with all members of the Benefits Consulting team to develop custom benefit strategies and programming in alignment with the client's corporate and individual objectives. Jamie is also a certified Group Benefits Disability Specialist (GBDS) and serves as the technical specialist for life and disability benefits for the Arizona team.

When she isn't at MJ, Jamie likes to travel, try new wines, and take family beach cruiser rides to local parks and restaurants with her husband and two young children.
