

ELEXIS RICHARDS

SURETY SERVICE REPRESENTATIVE

Elexis Richards joined the MJ Insurance team in June of 2020 as a Surety Service Representative in our Risk Management + Commercials Insurance team. As a Surety Service Representative, Elexis plays a critical role on the team by processing bonds and delivering outstanding service to our clients.

In her role, Elexis gathers valuable information and calculates premiums for both our surety clients and underwriters. She acts as the liaison between surety clientele and surety companies and serves as the main point-of-contact for each. Her favorite part of being a Surety Service Representative is continuing to learn and working with a welcoming team.

Outside of MJ, Elexis enjoys spending time in the city of Indianapolis. She loves her community and helps to promote new and upcoming restaurants/retail spots through social media and word of mouth. Elexis also loves to travel and learn about cultures!
