

BROOKE SENGER

ASSISTANT ACCOUNT MANAGER

Brooke Senger joined the MJ Insurance team in June of 2020 as an Assistant Account Manager in our Benefits Consulting department. As an Assistant Account Manager, Brooke works with the analytics, wellness, compliance, communication and client advocacy teams to execute client healthcare and benefits strategies.

Brooke assists in the support of day-to-day operations and works with our client facing team. Brooke's responsibilities include assisting Client Executives and Account Managers in reviewing plan design summaries, assisting in developing retention strategies, working with account managers in implementation of carrier, TPA, vendor change or addition of new lines of coverage, and working with client executives on renewal services contracts and execution.

Outside of MJ, Brooke enjoys staying active with indoor or outdoor cycling and spending time with her two Corgis, Daisy and Penny. Brooke also has a passion for dance and was a ballet dancer for 20 years. She even danced professionally after college!
