

CASSIE CLARK

ACCOUNT MANAGER

Cassie Clark joined the MJ Insurance team in 2016 as an assistant account manager in our Benefits Consulting department and has since been promoted to account manager. Cassie works with the analytics, wellness, compliance, communication and advocacy teams to execute client healthcare and benefit strategies. She is responsible for preparing custom client materials, cost analysis and summaries, as well as assisting in the marketing and renewal process for new and existing clientele.

Prior to joining MJ, Cassie worked as a human resources intern where she assisted with the development of an employee experience and HR brand, creating a more engaged and accountable workforce. With her marketing and HR experience, Cassie has already proven to be a valued member of the Benefits Consulting team.

Cassie is passionate about health and loves to exercise. She also loves to be outside and explore new places through travel. Cassie is very social and enjoys gathering with friends and family to watch Butler basketball or the Chicago Cubs games. Cassie's ultimate dream would be to compete in the Amazing Race.
