

MALLORY MILLER

ACCOUNT MANAGER

Mallory Miller joined the MJ Insurance team in 2020 as an Account Manager for our Arizona Benefits Consulting Department. In her role, Mallory is responsible for preparing custom client materials, cost analysis and summaries, and managing the marketing and renewal process for new and existing clientele. She also provides exceptional customer service, helping to support billing, claims, eligibility and other client needs.

Prior to joining MJ, Mallory functioned as a Senior Benefits Specialist at a national insurance broker, where she worked to develop alternative program design strategies and risk financing options for employer groups.

Outside of MJ, Mallory loves to craft, boat, workout, travel with her husband Tyler and walk her two dogs, Lila and Jed. Her favorite quote, "The power of imagination makes us infinite," represents her creative side. On top of her love for crafting, she is a talented painter as well!
