### **MJ Insurance Named 2021 Healthiest 100 Workplaces in America**

**INDIANAPOLIS (Oct. 26, 2021)** – [MJ Insurance](#), one of the nation's leading insurance agencies with more than five decades of success, has been named one of the Healthiest 100 Workplaces in America by Healthiest Employers® for their investment in the health and wellbeing of its employees. MJ received recognition as a Healthiest Employer in both Indiana and Arizona as well.

Based on each organization's Healthiest Employers Index — a metric based on six categories: Culture and Leadership Commitment, Foundational Components, Strategic Planning, Communications and Marketing, Programming and Interventions, and Reporting and Analytics, determined the scoring of Healthiest Workplaces Award. The assessment was scored rubric style on a 1-100 scale, with each question totaling .25-3 points.

"To be recognized with this prestigious national honor as one of the Healthiest 100 Workplaces in America again is thrilling," said CEO of MJ Insurance, Michael H. Bill. "Throughout the COVID-19 pandemic, we are proud that we have been able to support our employees and their families. This honor continues to validate our efforts in bettering the health and wellbeing of our employees, which has been even more important to us during these unprecedented times."

MJ provides numerous opportunities for associates to improve their physical, emotional, spiritual and financial wellbeing through their wellness program, A Healthier YOU. MJ continues to augment its employee wellbeing resources, most recently enhancing its technological solutions to facilitate and support all forms of wellness during the COVID-19 pandemic and beyond. The MJ Wellbeing Platform offers fitness competitions to encourage participation amongst the various office locations, online mental health counseling and support, virtual yoga sessions, telemedicine options and so much more.

MJ Insurance also offers incentives for healthy measures through Health Savings Account (HSA) contributions for employees and spouses.

Healthiest Employers® was founded over a decade ago by Springbuk to drive meaningful investment in employees' health and wellbeing and accelerate companies' adoption of data-driven approaches to health initiatives and planning employee benefits. Companies are chosen out of a national pool of applicants from all regions, size categories, and industries and are recognized for their commitment to workplace wellness and exceptional health and benefits offerings.

MJ Insurance, one of the largest privately-held insurance agencies in America, is a commercial and personal insurance, risk management and employee benefits consulting agency that, since 1964, has grown from a two-person start-up to an agency with more than 200 employees. With offices in Phoenix and Indianapolis, MJ specializes in a diverse selection of unique service lines, including construction, energy, transportation, manufacturing, sororities, and recycling, and a complete suite of employee benefits programs and services. MJ Insurance serves clients in over 16 countries and every U.S. state.
