***MJ Insurance's Philanthropic Foundation Sends Phoenix Children's Patients and Parents to Diamondbacks Baseball Game***

**PHOENIX (Sept. 9, 2022)** – [MJ Insurance](#), a leading risk management and employee benefits agency for more than 50 years, hosted Phoenix Children's Hospital patients and their families at Chase Field as part of its MJ Foundation fundraiser.

In partnership with Phoenix Children's Hospital, the MJ Foundation raised more than \$55,500. A portion of these funds were used to host Phoenix Children's patients and their families for a day of fun at Chase Field. Nearly 100 guests watched the Diamondbacks defeat the Milwaukee Brewers in comfort and style in the Coors Light Strike Zone.

"MJ Insurance exists to inspire the success, fulfillment and wellbeing of our associates and their families, business partners, clients, and our community," said Michael H. Bill, CEO of MJ Insurance. "The MJ Foundation allows us to support organizations in our communities that are already doing important work. Phoenix Children's Hospital provides essential services to this community. We're grateful to have been able to support the wellbeing of their patients by providing this day of diversion."

The funds raised will be further used to award grants and support local organizations in alignment with the four cornerstones of the MJ Foundation mission: overcoming poverty, advancing education, fostering diversity and embracing humanity.

MJ Insurance, one of the largest privately-held insurance agencies in America, is a commercial and personal insurance, risk management, retirement and employee benefits consulting agency that since 1964, has grown from a two-person start-up to an agency with more than 200 employees. With offices in Phoenix, Indianapolis and Denver, MJ specializes in a diverse selection of service lines including construction, energy, transportation, manufacturing, sororities and recycling as well as a complete suite of employee benefits programs and services. MJ Insurance serves clients in more than 16 countries and in every U.S. state.
